

RJ-45 Cat.6A Toolless Field Termination Plug

62411

TITLE EN

RJ-45 Cat.6/6A Toolless Field Termination Plug

SUBTITLE EN

Robust RJ-45 connector with strain relief

SHORT DESCRIPTION EN

- Cat.6/6A 23 to 26AWG compatible (T568B)
- Toolless design allows quick and easy installation
- 360° degree shielding
- Reusable up to 5 times
- 2 year warranty

The Lindy RJ-45 Cat.6/6A Field Termination Plug is an essential tool for network professionals and engineers seeking a reliable, efficient, and versatile solution for network cable terminations. Designed with convenience and performance in mind, this plug offers several key features that make it a top choice for on-site installations.

No tools required allowing for time saving and easy installation, making it ideal for on-the-go networking tasks. The fully shielded construction provides superior protection against electromagnetic interference (EMI), ensuring consistent and reliable data transmission even in environments with high levels of interference.

Compatible with solid core and regular stranded cables allows for a wide range of cables to be used removing the need for multiple plugs. It is reusable up to 5 times providing cost saving and convenience for temporary setups such as testing, or reconfigurations.

LONG DESCRIPTION EN

Physical Properties

- Dimensions (approx.): 13 x 18 x 68mm (0.5 x 0.7 x 2.6in)
- Housing Material: Zink Alloy
- Net Weight: 0.24kg (0.052lb)
- Supported Bandwidth: 500MHz
- Colour: Black

Miscellaneous

- Packaging Type: Polybag
- Packaging Dimensions: 133 x 144mm (5.24 x 5.67in)
- Gross Weight: 0.26kg (0.057lb)
- Warranty (Years): 2
- Product Compliance: CE, UKCA, RoHS, REACH & California Proposition 65

Package Contents

- 1 x Shielded RJ-45 Field Termination Plug
- 1 x Lindy Manual
- 1 x Screw Cap
- 1 x Dust Cap
- 1 x Wire Management Bar
- 1 x Copper Foil Tape
